### ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation shall pass to successors in title unless expressly excluded by them and approved by the mortgagee on their property.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in the Property and in particular for the improvement and maintenance of the Property, services, and facilities devoted to this purposes and related to the use and enjoyment of the Common Area, and of the homes situated upon the Property. They shall include, but are not limited to, funds for the actual cost to the Association of all taxes, insurance, repair, replacement and maintenance of the Common Area and of the maintenance of the exteriors of

the Lots or Townhouses as may from time to time be authorized by the Board of Directors, and other facilities and activities including, but not limited to, mowing grass, caring for the grounds, sprinkler system, landscaping, swimming pool, recreational buildings and equipment, roofs and exterior walls of the Townhouses, including their roofs, garbage pickup, and services furnished to the Townhouses by the Association, and other charges required by this Declaration of Covenants, Conditions and Restrictions or that the Board of Directors of the Association shall determine to be necessary to meet the primary purposes of the Association, including the establishment and maintenance of a reserve for repair maintenance, taxes, and other charges as specified herein.

Section 3. Basis and Maximum of Annual Assessments.

Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Fifteen and No/100 Dollars (\$15.00) per Lot:

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington, D. C.) for the preceeding month of July.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above that established by the Consumer Price Index formula by a vote of the members for the next succeeding three (3) years and at the end of each such period of three (3) years, for each succeeding period of five (5) years, provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy,

at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) The Consumer Price Index establishes the United States City Average numerical rating for the month of July, 1974, as 100%. This will be the base rating. To determine the percentage to be applied to the maximum annual assessment for each subsequent year, divide this base rating into the numerical rating established by the Consumer Price Index for the month of July preceding the proposed assessment year. This adjustment percentage, if in excess of one hundred per centum (100%), is multiplied by the original maximum annual assessment to obtain the maximum assessment for the subsequent year.

✓ (d) After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who

are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis with each Lot Owner paying an amount equal to that paid by each of the other Lot Owners.

Section 6. Quorum for Any Action Authorities Under Sections 3 and 4. At the first meeting called, as provided in Sections 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Section 3 and 4, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments:  
Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors,

and unless otherwise provided, the Association shall collect each month from the owner of each Lot 1/12th of the annual assessment for such Lot. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Non-payment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of 6 percent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Kempwood Villa Townhouse Association, Inc. or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other lot owners. The Association acting on behalf of the Lot owners shall have the power to bid in an interest

foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same; and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area and (c) all properties owned by Declarant or nonprofit organization exempt from taxation by the laws of the State of Texas. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by

the association shall provide that said management agreement may be cancelled by an affirmative vote of sixty percent (60%) of the votes of each class of Members of the Association.

In no event shall such management agreement be cancelled prior to the effecting by the Association or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Association or its Board of Directors to effect a new management agreement prior to the expiration of the term of any prior management contract. Any and all management agreements shall be made with a responsible party or parties having experience adequate for the management of a project of this type.

Section 12. Insurance Assessments. The Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain insurance for all the buildings, including all townhouses, unless the owners thereof have supplied proof of adequate coverage to the Board of Directors' complete satisfaction, against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering all Common Area, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance, except on the individual townhouses, shall be common expenses. All such insurance coverage, including insurance on individual townhouses obtained by the Board of Directors shall be written in the name of the Association as Trustee for each of the townhouse owners in the same proportions as their undivided interest in the

Common Area. Insurance on individual townhouses obtained by such townhouse owners may be written in the name of the individual owners. Premiums for insurance obtained by the Board of Directors on individual townhouses shall not be part of the common expense but shall be an expense of the specific townhouse or townhouses so covered and a debt owed by the owners, and shall be collected by any lawful procedure permitted by the laws of the State of Texas. In addition, if said debt is not paid within twenty (20) days after notice of such debt, such amount shall automatically become a lien upon such owners lot and townhouse and shall continue to be such lien until fully paid. This lien shall be subordinate to the lien of any first mortgagee and shall be enforceable in the same manner as any lien created by failure to pay the maintenance assessments. In addition to the aforesaid insurance required to be carried by the owners and/or the Association, any owner may, if he wishes, at his own expense, insure his own townhouse unit for his own benefit and carry any and all other insurance he deems advisable. It shall be the individual responsibility of each owner at his own expense to provide, as he sees fit, homeowner's liability insurance, theft and other insurance covering personal property damage and loss. In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, with concurrence of the mortgagee, if any, upon the receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the proviso agreed to by said bank or institution that such funds may be withdrawn

only by signature of at least one-third (1/3) of the members of the Board of Directors or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids with any licensed contractors and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstructions or rebuilding of such destroyed building or buildings. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly, the Board of Directors shall levy a special assessment against all owners of the damaged townhouses in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained by such townhouse to make up any deficiency, except that the special assessment shall be levied against all townhouse owners as established by Article VI, Section 1, above to make up any deficiency for repair or rebuilding of the common area not a physical part of a townhouse unit. In the event such insurance proceeds exceed the cost of repair and reconstruction, such expenses shall be paid over to the respective mortgagees and owners in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained by such townhouses. Such payments shall be made to all such owners and their mortgagees in proportion to their percentage interests. In the event of damage or destruction by fire or other casualty to any townhouse or other property covered by insurance written in the name of an individual owner, said owner shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to repair or rebuild such damaged or destroyed portions of the exterior of the townhouse in a good workmanlike manner in conformance with the original plans and specifications of said townhouse. In the event

such owner refuses or fails to so repair and rebuild any and all such damage to the exterior of the townhouse area within thirty (30) days, the Association by and through its Board of Directors, is hereby irrevocably authorized by such owner to repair and rebuild any such townhouse in a good and workmanlike manner in conformance with the original plans and specifications of the townhouses. The owner shall then repay the Association in the amount actually expended for such repairs and the Association shall have a lien securing the payment of same identical to that provided above in this Section securing the payment of insurance premiums; and subject to foreclosures as above provided.

Notwithstanding the foregoing provisions of this Section 12, it is further provided that the requirement for the maintenance of insurance on a townhouse shall not apply to any townhouse acquired by the Veteran's Administration or Federal Housing Administration under a mortgage foreclosure during the period of ownership by either of said Veteran's Administration or Federal Housing Administration.
